

A4 Wiro Bound

Short Edge Bind

297mm x 210mm

Remember to delete or hide this layer.

Bleed Area

Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing during the print finishing stages.

Trim

Your job will be cut on the solid black line, any images or text placed in this 3mm area may be trimmed off incorrectly.

Safe Area

Keep all your information inside the white area. Remember to use high resolution images (300dpi) for the best results.

Wiro Binding Area

Anything here might be cut off when the holes are punched for the wiro binding, but remember to extend any colouring and/or images past this area and into the bleed to avoid a large blank area.
